

## CASE STUDY. YOGA AND PILATES

# Boutique studio earned a five star streak across 90 classes.

Putney, London. 167 m<sup>2</sup>.

Before

After

## OUTCOMES AT A GLANCE

**4.97 out of 5**

Average class rating

**saved £14k**

Floor refinishing avoided

**up to 92 percent**

Class capacity utilised

## The challenge

Hardwood floors were dulling from improper products. Props smelled stale, and the front lobby felt cluttered between back to back classes.

## Our approach

pH neutral hardwood care, plant based prop wash on a rotating schedule, and a 12 minute lobby reset between every class.

*“Students notice. The studio breathes again, and our reviews mention the smell and the floors every week.”*

Priya S., Studio Director
